Middle XL: Descriptions

How Strong Are You? Strength and Conditioning

1. Come meet our Strength and Conditioning Coach Nick Stephens. He will put you and your student through a few fun drills and exercises!

Your Voice Matters! Tell Miller Ridge

2. What do you love about Middletown City Schools? Your voice matters! Come use Flipgrid to create a video to share your love of Middletown with Miller Ridge students. Flipgrid is used at Miller Ridge to incorporate student voice and create an authentic community of learners.

Are You Smarter than a Miller Ridge Fifth Grader?

3. What do you love about Middletown City Schools? Your voice matters! Come use Flipgrid to create a video to share your love of Middletown with Miller Ridge students. Flipgrid is used at Miller Ridge to incorporate student voice and create an authentic community of learners.

Are you smarter than a fifth grader? Bring your A-game to show what you know with the online learning game called Kahoot!

Wellness Center Tours

4. Did you know we have a school-based health clinic located inside our high school? Did you know it's available to every single Middletown student as well as the entire community? Well, we do and it is! Come meet the doctors on staff and get a tour of the vision, dental, and health center,

Robots with Wildwood

5. Don't be afraid of the Age of the Machines! Wildwood will be displaying Robot Club and presentation production. Learn the engineering design process from Wildwood students.

Get Busy with Mayfield Elementary

6. Come see six of our Mayfield clubs that occur before or after school - Student Council, Cooking Club, Coloring Club, Art Curators, Crafting Club, and Kindness Club. Students and adults will be on hand to share these enriching experiences.

Parent Advisory Committee Nights are where it's at! Fall Festival and Santa Snack Mix Night were a huge success! Come participate in our hands-on activities!

From Middie Pride Bucks, Student of the Month, to Lunch with the Principal, students at Mayfield look forward to coming to school and making good choices every day! Come learn how Mayfield supports a positive school culture for students and staff!

Preschool: Your Child is Ready!

7. Meet our preschool partners and staff at the Preschool Table! Learn how to register your child and why preschool is so loved by our students.

Come Explore Makerspace with Amanda Elementary

8. Amanda's interactive makerspace is newly designed and developed specifically for Amanda students and staff. Makerspace materials include: LEGOs, Touch Screens, Ozobots, Merge Cubes and so much more. Come be interactive and innovate with us!

Come, watch, and listen to all the exciting after-school programs and opportunities for students and families at Amanda Elementary. #mustangsonthemove

It's Out of this World! AR/VR

9. See how a dynamic Art class applies creative competencies to design Virtual Reality experiences. Students actively engage in design planning, time management, problem solving, cooperative learning, collaboration and storytelling. For the final project, students design a virtual reality experience for elementary students. Their learning is evolving through Virtual Reality both as a consumer and/or designer of a virtual reality experience. The interactive presentation will use cospaces, classVR, soundtrap and clipchamp.

Future Center

10. Learn about all of the Future Center's programming for MHS & elementary students. In addition, you will see mini showcases from our dance team, boxing club, & LatinX Leaders.

Clubs and Sports at Middletown High School

11. Middletown High School has a vast offering of extracurriculars such as music programs, tons of clubs, and lots of sports! Come see us in the High School Cafeteria/Learning Cafe. Our students and coaches are excited to share the wealth of offerings with our community. Come check us out!

Chef Jerry's Cooking Show

12. Visit our very own chef and taste samples of the delicious food our students eat every day. If you're lucky, he might call you up and ask you to help him sautee

I Believe in You Letter Stations

13. Visit one of two stations and write an "I believe in you" letter to a student or staff member! We will then mail the letters at a later date!

Find Your Passion with Central Academy

14. Central students have so much to be proud of! From Passion Projects to Project-based Learning Activities: Come see what all the excitement is about! You will not want to miss this amazing opportunity to see what is so special about Central Academy!

WIN Big with Rosa Parks!

15. Rosa Parks staff uses what they have learned about student learning needs to help students "WIN!" "WIN" stands for "What I Need." Stop by to see how personalized learning along with the intentional use of technology provides students with a "WIN!"

Video Game Night with Rosa Parks

16. Have you ever wanted to design your own video game? Have you ever wondered what goes into making the characters move in your games? Stop by Rosa Parks' booth and code your own game including games like Flappy Bird, Minecraft and Star Wars.

Open Mic Session with Rosa Parks Students

17. Got motivation? Come to Rosa Parks' open mic session! Students will be sharing speeches that will leave you truly inspired!

True Success with Rosa Parks

Did you know Rosa Parks students participate in a DAILY character education program that supports positive behavior and literacy skills? The curriculum highlights engaging, inspiring and impactful life stories of positive role models who exemplify a virtue/positive behavior skill. Come and experience True Success!

Concert Tunes

18. In the high school auditorium, you will hear from our talented musicians!

7:00 Orchestra

7:10 Show Choir

7:30 Jazz Band

7:50 Orchestra

Middle XL: Descriptions

Meet a Middie

1. The Middletown High School Football Team is taking over the Middle School gymnasium! They'll put you and your student through a few football drills, teach you how to throw a pass, and pose for pictures.

Pop-Up Art Gallery

2. In the Middle School Learning Cafe, you will experience a Pop-Up Art Gallery! The Art Department will showcase its High School students with an interactive activity as well as have half a dozen pieces from each of our other schools.

Goldcrush Cafe with Highview

3. Did you know that Highview Sixth Grade Center has its very own cafe? You are invited to sample a mini menu consisting of a soup, desert, and/or beverage served by Highview students.

MMS Purple Pride

4. Purple Pride is the singing group at MMS. They will be walking around during the evening and performing all over MMS.

Celebrity Guest Readers

5. The Curriculum Department will be showcasing local community leaders and celebrities who will be reading books by award winning authors. Each child who comes to a read aloud will receive a copy

continued on back

of the book. Each book will be autographed by the community leader or celebrity. Please come join us for a night of reading eXcellence Live.

Speech Team

6. At 7:10 PM and 7:40 PM, make your way over to the Middle School. You will hear from a member of the MHS Speech and Debate Team! The piece is original to the speaker. Afterwards, ask questions on how your student can become involved in the team.

Learn to Code

7. Middletown Middle School offers students an opportunity to exploring coding in an after school club called Code Club. Code Club will be showcasing the new Cue robot and update everyone on the competition they are preparing for.

What's So Cool About Manufacturing?

8. "What's So Cool About Manufacturing" is a video contest designed by employers and educators to help improve the image of manufacturing as a career choice with the objective of recruiting more young people into the manufacturing industry.

Meet an SRO

9. Come meet our School Resource Officers (SRO)! These men and women work inside our schools and have wonderful relationships with our students and staff. Plus, we hear they'll be bringing the K-9 Unit.

I Believe in You Letter Stations

10. Visit one of two stations and write an "I believe in you" letter to a student or staff member! We will then mail the letters at a later date!

Highview's Got Talent!

11. Highview's got talent! Talented students from Highview Sixth Grade Center will be speaking about the amazing opportunities and accomplishments with Band, Orchestra, and Choir.

Virtual Reality with Middletown Middle School

12. Students at MMS have been utilizing augmented and virtual reality technology to participate in innovative learning experiences. Stop by and view objects and places that are impossible to bring to the classroom such as the solar system, the deep ocean and microscopic organisms. Come see what our students see!

GATE

13. At Middie XL, GATE needs your help to create a timeline for GATE participation from 1980 to current. Participants in the XL event will add their personal information if affiliated to GATE to the timeline. GATE teachers will also display students and parents reflection about the GATE program.

Middie News Station

14. The Middletown Middle School News Crew will be walking around the event and asking to speak to attendees. You won't want to miss your chance to be a feature in their next newscast!

Go Live! with Creekview Elementary

15. Check out all that is going on at Creekview Elementary! Creekview has everything from positive school culture to engaging student activities. Come be our witness!

Have you ever wanted to be featured on live TV? Have you ever wanted to be featured on Creekview's live morning announcements? Come and be our guest of honor this evening?

Meet the Middletown Board of Education

16. Come meet your Middletown City School District Board of Education! Learn about our strategic plan and how it influences their decisions.

Tweet! Creekview Twitter Chat

17. Tweet! Tweet! Be a part of our live Creekview Twitter chat and converse via Twitter with staff, students, and audience members!
